

The Good Monster - Māori Māma 2023

V1. The Good Monster, the Good Monster, the Good Monster,
yay!

I saw a monster today, it was coming my way

I'll tell you what it looked like and what I heard it say!

Well this monster was furry

Had 2 green eyes and tail, 4 legs and it said

'purrrr, meoww!'

Sounds like a monster to me?

Ch. Oh no it's not a monster, don't be crazy, it's just a cat,
mm-hmm

There's no monsters in this world, only cats... isn't that good?

V2. I saw a monster today, it was coming my way

I'll tell you what it looked like and what I heard it say (meaow!)

Well, this monster was very friendly

Had a waggy tail, 4 legs... it was furry and it said

'woof woof woof!'

Sounds like a monster to me?

Ch. Oh no, it's not a monster, don't be crazy, it's just a dog,
mm hmm.

There's no monsters in this world, only dogs... isn't that good!

V3. There are no monsters, just the ones in your head,
mm-hmm.

There are no monsters under your bed, probably just toys!

But there are parrots and geckos and elephants and bunnies
and magic things...

So don't be afraid of those monsters, because, they're
imaginary!!

But I thought I saw one the other day, what do you think?
